

Policy of no smoking

Alexandria university is committed to a non-smoking premises inside the buildings and laboratories and lecture and meeting rooms.

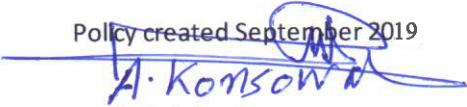

This commitment started after passing a general regulation to avoid smoking in closed rooms. These Regulations were introduced to save lives and prevent diseases caused by second-hand smoke.

'No Smoking' signs are displayed and the regulation is enforced. Failure to comply with the law is an offence and a fine is applied.

Policy created September 2019

Policy reviewed October 2022
