## Establishment of a unit for combating Violence against women

The president of Alexandria University has issued an act to establish a unit for combating violence against women in the faculty of Art . The The First Forum entitled " She Against Violence" was organised under the patronage of President of Alexandria University, and in partnership with the National Council for Women and the Anti-Violence Unit at Alexandria University and the Taha Hussein Center for Disabled Services at the university.

The Forum kicked off the opening session explaining the objective of the center. In the same context, a psychiatric and legal sessions were held, with lectres about the challenges women face .

Then the forum moved to the Taha Hussein Center to start the evening activities, and it began with a session of violence against nymphs, or women of determination.
