

## **Student Activities Union**

### **Student Association Council:**

Activities - of all kinds - are practiced in university cities, through a student entity called the "Student Activities Union", where the union draws plans for activities at the beginning of each academic year, and these activities are practiced through committees formed by election among university city students

The Student Activities Union Council is composed of a Secretary and an Assistant Secretary for each of the Student Activities Union committees

#### Student Activities Union Committees:

- Cultural and Political Committee
- Technical Committee
- Housing Committee
- Nutrition Committee
- Health Care Committee
- Science and Technology Committee
- social Committee
- Trip Committee
- Mobile and Public Service Committee

## **Students' activities**

Alexandria University believes that student activities are important to educating the student. Participation in the activities gives students new skills, builds new relationships, and forms the student's integrated, balanced personality, and reveals students' talents and abilities, and then refines and develops them.

The student activities practiced by Alexandria University students vary between scientific, sports, scouting, artistic, social, and excursions, in addition to the activity of families and social leaders. All students are allowed to participate in these activities. Providing prizes for competitions organized in each activity, and the university is keen to participate competitively in these activities at the level of Egyptian and international universities

## Activity 1. Faculty of Pharmacy organizes a sports marathon for walking and cycling entitled "Running for Green"

Under the patronage of H.E. Prof. Dr. Abdelaziz Konsowa, President of Alexandria University, the Community Service and Environmental Development Sector at the Faculty of Pharmacy, in cooperation with the students of the Scientific Society of Faculty of Pharmacy, organized a sports marathon for walking and cycling under the title "Running for Green" within the framework of the preparations of Faculty of Pharmacy and University of Alexandria for the Climate Change Conference COP27 to be held in Sharm el-Sheikh in November 2022.

Prof. Dr. Mervat Kassem, Dean of Faculty of Pharmacy, pointed out that the marathon was launched from the front of the Bibliotheca Alexandrina to the Citadel of Qaitbay with the participation of about 150 individuals, and an elite of Faculty staff members, Faculty employees, and students. She explained that the organization of the marathon came with the aim of unify the students and Faculty members as one family and to encourage the students to practice sports to improve their physical and mental health, which reflects positively on their academic performance.

Meanwhile, Prof. Dr. Sherif Rostom, Vice Dean of Community Service and Environmental Development, stated that the marathon is part of a campaign adopted by Faculty of Pharmacy entitled "Go Green" that includes several events within the framework of the state's directions for

sustainability in preserving the environment and combating climate change "Prepare for Green".

At the end of the marathon, prizes and certificates of appreciation were handed over to the winners of the top three places in both the walking and cycling competitions.
