- The students from the Faculty of Sport Education, Abu Qir, participate in Initiative to Clean the Eastern Harbour of Alexandria on July 8, 2024. In line with Alexandria University's commitment to community service and under the auspices of President of Alexandria University, and Minister of Environment, students from the Faculty of Sport Education in Abu Qir participated in a week-long initiative to clean the eastern harbour of Alexandria. The initiative includes the participation of the El-Raml Rotary Club and the Egyptian Diving and Rescue Federation. The initiative aims to promote sustainable tourism and improve beach enjoyment while supporting local communities in enhancing their waste disposal practices. It also encourages citizens to reduce their use of single-use plastic products and increase recycling efforts. Additionally, the project seeks to educate the public on the importance of maintaining clean and healthy beaches, raising awareness about the threats that plastic and chemical waste pose to marine life, as well as focusing on collecting, classifying, and recycling waste to improve the quality of the coastal environment.

Students from the Faculty of Sport Education at Abu Qir took part in a week-long initiative to clean the eastern harbour of Alexandria, starting on July 8, 2024. The initiative aims to promote sustainable tourism, improve waste disposal practices, and raise awareness about the dangers of plastic waste to marine life, while encouraging recycling efforts and maintaining clean beaches. The project included the Alexandria university, El-Raml Rotary Club, and the Egyptian Diving and Rescue Federation.

- For tourism development, the cycling race and marathon activities were launched, within the activities of the Global Conference on ClimateChange and Sports, organized by the Faculty of Science and Faculty of Sport Education Abu Qir in the period from October 27-29, 2022, with the participation, support, encouragement and sponsorship of the Ministry of Youth and Sports, the Universities Sports Federation, the Ministry of the Environment, and the Egyptian General Authority. More than 1,500 male and female students participated in the marathon, as part of the forum’s activities. The marathon started from the Camp Caesar areato Qaitbay Citadel, west of the city.

The cycling race and marathon activities launched within the activities of the Global Conference on Climate Change and Sports, organized by the Faculty of Science and Faculty of Physical Education in Abu Qir in the period from October 27-29, 2022
